November 2017 Newsletter

Kelli Parsons, Principal

It's hard to believe that we've wrapped up the month of October and the holidays are just around the corner.

November will be a fast and busy month. The students will have a half day on the 3rd with a 11:15 dismissal and there will be no school on November 10th in observance of Veterans' Day. On November 9th, The Lifetouch Company will be here to do picture retakes. November 16th and 17th are 1/2 days for the students so that we can take the time to meet with you during parent/teacher conferences. On these days, the students will be dismissed at 11:30. This is a special time set aside for parents and teachers to talk about the individual progress and academic goals of each student. As teachers begin preparing for and scheduling parent conferences, I want to remind families that these conferences are a powerful tool in better understanding the needs and strengths of your child. The more parents choose to participate in these discussions, the more knowledge you will gain. Please feel free to bring a list of questions that you may have regarding your child or the academic program that is being offered in your child's classroom. Write down any questions that you have regarding homework, class projects, peer relationships or other school events or policies. Your child's teacher wants you to become more informed about your child's education and what you can do at home to help continue your child's academic success. Finally, Thanksgiving break will take place from 11/22-11/24. School will resume on November 27th!

Reminder

The weather is getting colder, and students need to be dressed warmly because we are outside before school starts and at recess. Please make sure your child is wearing a coat, hat, gloves and other items that will keep him/her warm throughout winter. If you are in need of any of these items for your child, please call Jessica Stanton, our school counselor, at 467-2198 x 2220. All information is confidential. I hope you have a wonderful holiday with your family and friends.
