*Deposit Central Schools
Hall of Fame*

The Deposit Central School District was proud to begin its Hall of Fame program in 2017 as a way to recognize outstanding alumni. Nominees are selected for induction into the Hall of Fame based on their local, regional, national or international recognition in one or more areas. These areas may be professional, educational, athletic, cultural or community/charitable.

A committee selects a maximum of three inductees from its pool of nominees. The Hall of Fame Committee will review all nominations and make its selection in the early spring. Nomination forms and letters of recommendation for Hall of Fame consideration are accepted throughout the year.

To honor the Hall of Fame program and its purpose, distinguished honorees visit and speak with current DCS students about their career path and necessary preparation. Plaques honoring the inductees will be permanently displayed in the newly renovated trophy hallway in the Middle-High School.

Dan Raymond

Dan Raymond graduated from the Deposit Central School District in 1976. Dan attended SUNY Cortland where he earned his bachelor's degree in 1997 and subsequently earned his master's degree from Le Moyne College in 1999. Since 1995, Dan has devoted his life's work to coaching and mentoring college athletes. From 1995-1997, Dan acted as the assistant coach for the Cortland Red Dragons and was promoted to head coach for

the 1997-1998 season. Since 1999, Dan has been serving the students at Ithaca College as the assistant coach of women's softball and the head coach of women's basketball. Dan holds the record as the most winning basketball coach and has led his team to fifteen appearances at the NCAA playoffs. Dan has been awarded the honor of Empire Coach of the Year an impressive eight times. According to Dan, "...relationships are what coaching is all about. The wins and championships are all secondary in my mind, truly. That's not why I'm doing what I'm doing. It's to watch a young college student mature and develop during the course of their four years here...That's the reward I get." (The Ithacan, April 2019) Dan and his wife, Shari, have been married for 41 years, and have three daughters and six grandchildren.
