SEVERE WEATHER PLANNING

Winter weather in upstate New York can be very unpredictable. When severe weather strikes our area, our number one concern is the safety of all Deposit Central School District students and staff. Specific plans and protocols are in place to ensure that all students and staff members arrive at school safely.

DECISION-MAKING PROCESS:

The decision to close school is made by the superintendent of schools working in consultation with the district transportation supervisor and representatives from New York State, Delaware County, Broome County, and our local towns and villages. Information provided by various weather service reports, newscasts, and computer simulations also factor into the final decision-making process. Finally, as needed, the transportation staff will drive district primary and secondary roads in order to evaluate travel safety. Variables that factor into the school closing decision-making process include, but are not limited to, the amount and type of snow or freezing rain, timing of first snowfall and anticipated end, ability to clear primary and secondary roads and school district parking lots, building conditions, temperature, and wind and wind chill. Depending on a host of circumstances and factors, the District may elect to delay the start of school by two hours until 10 a.m., close for the day, dismiss early, or cancel all after-school events at the end of the day.

COMMUNICATIONS PLAN

In general, the decision to delay the start of school or to close for the day is made no later than 5:30 a.m. and is communicated to all stakeholders via the following media no later than 6 a.m.: Television: Channel 12 WBNG, Channel 10 YNN, WIVT/WBGH TV34, WICZ/Fox 40 Website: depositcsd.org Cell/Telephone:

Our School Messenger automated system will notify you via phone, text message and/or email depending on the information we have in our computer system. Make sure you text "YES" to 68453 to receive text messages.

WINTER WEATHER FAQs

Q: As a parent/caretaker, can I keep my child home on inclement weather days if school does not officially close?

A: Parents/caretakers are encouraged to use their best judgment to determine what is best for their children. Parents/caretakers are expected to notify the school district of their child's absence.

Q: Are we going to have to make up snow days?

A: The school district builds additional days into the school calendar each year to account for time lost to inclement weather. However, in the event this additional time is exhausted due to extraordinary weather conditions, the Deposit Central School District Board of Education retains the right to extend the school year by scheduling school during vacations or holidays such as the mid-winter break in February or the annual spring recess. ** New York State now allows for districts to use a "remote instruction" day in the event that all emergency weather days have been used but more are needed. Deposit CSD will plan to switch to remote instruction if this should occur. Families will receive notice once all emergency days have been exhausted. Should you have any additional questions, please contact the District office at 607-467-5380
