

# Deposit Central School District

We are a community united to improve the quality of life through education

Deposit partners with BT BOCES to offer students a wide variety of career and technical education options, including specializations in the medical and legal field, as well as training in the automotive and construction industries.

Deposit CSD is proud to offer students college credits through our affiliations with local colleges including:

SUNY Broome  
TC3

The average graduate leaves with 10-15 college credits

Deposit CSD boasts highly qualified teachers, New York State Master Teachers, and caring, supportive staff members.

On campus, there are 3 full-time licensed social workers, an occupational therapist, speech pathologist and school psychologist to support the needs of our students.

Deposit CSD has invested in technology to provide all students with 1:1 devices, including

**Chromebooks and iPads.**
