DCS Families,

We would like to thank you for your continued efforts regarding the education for your child this school year. The purpose of this letter is not to alarm anyone, but only to keep you informed **IF** our building or district was required to go to fully remote learning for all of our students.

We understand everyone's schedule will be different, but keeping your child on a daily routine is best if possible. Teachers will be offering two Zoom sessions each day for ELA and MATH to better accommodate the varying schedules. Zoom sessions during remote instruction are important and help the students maintain a connection to their teacher and classmates in an otherwise isolated environment. Zoom also offers students to ask questions in real time about the content they are learning.

As a reminder, the assignments and daily attendance questions posted by the teachers are mandatory, per New York State Education Department regulations.

IF we were to move to a fully remote learning, your child's available Zoom times would be as follows Monday-Friday:

3 rd Grade		
Content	Morning	Afternoon
Math	8:00 – 8:25	11:00 – 11:25
ELA	8:30 – 9:00	11:30 – 12:00

All other assignments and daily attendance questions will be posted into their online learning platform.

By signing below, you acknowledge the requirements set-forth by NYS for your child's fully remote learning environment.

Sincerely,
Mrs. Vosbury

I have read the requirements sent home by Deposit Elementary School regarding the requirements and expectations **IF** the building had to go to a fully remote learning environment.
