The month of May is packed with activities and I'm looking forward to seeing you at some of the fun events we have planned. Below are some update for you. In addition to these updates, our website is full of important information including news about the potential merger study between Deposit and Hancock CSD, as well as current budget information. You can view that information here:

SAFETY DRILLS: A reminder that we'll continue to practice our required safety drills beginning this week. For the remainder of the year, we're required to complete an additional 2 fire drills and 2 lock-down drills. Staff and students are prepared for these drills. You can review our safety plans on our website and help by reminding your children to follow directions and listen to the adults during these practices: <https://www.depositcsd.org/SafetyInformation.aspx>
