SUMMER '22

DCS Families, we are excited that summer is finally here. Although it's been a year of ups and downs, we ended on a positive note with a lot of celebrations and events that we'll always remember. Below are just a few notes about things that are happening at DCS this summer. I hope that your children are able to take advantage of the programs we have planned for the summer session. In July or August, we'll be hosting a school safety Q & A with Broome County Sergeant Sam Davis and NYS Trooper Hartz (Date TBD). Once we have a date set, we'll reach out with details. Enjoy your time together! ~ Denise Cook, Superintendent

DCS SUMMER ENRICHMENT

Our summer programs run Monday-Thursday from July 11 - August 4.

If you haven't signed up but are interested, contact Mrs. Truman to find out about availability:

mtruman@deposit.stier.org

You can learn more about the programs on our website under the "Schools" tab.

SUMMER CAFE PROGRAM

Attached is information about the availability of free breakfast and lunch for children 18 and under during the summer session. Students attending the summer enrichment programs will receive both breakfast and lunch at the program. Please take advantage of this service. Adults can eat for a small fee.

DCS FACILITY UPGRADES

Construction for the 7.6 million dollar capital project will begin on Monday, June 27th. Some of the items to be completed this summer include: site repairs to the campus (concrete, staircases etc), flooring, HS main office, guidance office, nurse's office, library and tech room. Visitor entrance will be limited to the front of the elementary building.

Thank you for your patience. The improvements will be worth it!
